

Full steam ahead!

As Geographers we will:

- Discuss The Railway Children setting: London and Yorkshire. What do children know about these places?
- Use map of UK to identify and locate capital cities and key regions- Lake district, Yorkshire Dales etc
- Using key and symbols, identify the dominant topography of key areas, eg mountainous, forest, and label features such as rivers
- Explore how 2 contrasting areas have changed over time and reasons for these changes eg land use, farming, motorways
- Use and apply mapping skills eg compass directions, grid references, OS maps. How has the local area changed over time?

As writers we will:	As Mathematicians we will:	As Scientists we will:
<ul style="list-style-type: none"> * Read and study the classic book: 'The Railway Children' * write a diary entry from the viewpoint of one of the characters in the book * write a recount of a train journey *compare the film and the book * Read a range of poems about train journeys and create their own *Learn and practise spelling rules and patterns *use grammatical structures and use them to improve writing. 	<ul style="list-style-type: none"> * Read and interpret pie charts * Tell the time and interpret timetables * Understand algebra * Convert units of measurement * Understand properties of shape- angles, 2D shape, 3D shape and circles <p>Year 6- SATs revision</p>	<p>Animals, including humans (changes as humans develop into old age)</p> <ul style="list-style-type: none"> * draw a timeline to indicate stages in the growth and development of humans * learn about the changes experienced in puberty * research the gestation periods of other animals and compare them with humans * find out and record the length and mass of a baby as it grows
<p>We also hope to cover:</p>		
<p>RE- Understanding Christianity - Gospel/Kingdom of God Art/DT- textiles- using different sewing techniques to create a picture of the Chappel Viaduct History- the history of the railway, focusing on Chappel station. Opportunity for a visit to the station. PE- epc coaches- Cricket; Mondays- Orienteering and the opportunity for an orienteering session run by Essex Stragglers at Castle Park PSHE- JIGSAW- Relationships Music- Charanga: Music and Me- looking at inspirational women from different cultures Computing-Using Purple Mash to introduce spreadsheets and use formulae French- En vacance-Where are you going on holiday?</p>
