

Max's One Page Profile

All about Max

- **Favourite activities:** Fetching, belly rubs, and playing with children
- **My Personality:** Friendly, gentle, and loyal
- **Appearance:** Soft white and brown fur, warm brown eyes, and a wagging tail
- **Favourite Treats:** Any food, especially Markies!
- **Special Talents:** I can perform basic tricks like sit, stay, and shake hands

Role at School

I am The Harbour Provision dog, my primary role is to bring comfort, companionship, and a sense of calm to our children. I like taking part in reading sessions, where children can read stories to me. I don't like to see children when they're annoyed, sad or angry, I do my best to make them feel better.

Background:

I am a lovable and well-behaved Cocker Spaniel who joins our school community with excitement and joy. I have a friendly nature and gentle demeanour. I make a perfect companion for children of all ages.

Interests:

I love spending time outdoors, whether it's playing fetch on the field or going for walks with students during breaks. I enjoy interactive play, and my favourite activity is receiving belly rubs from children. I am a well-trained dog and respond well to basic commands. I'm very proud to be coming into Spring Meadow Primary school and the Harbour provision.

Guidelines for Interactions:

Always ask Mr Higgon-Williams before approaching me. Approach me calmly and quietly, sometimes I get a little scared by loud noises.
I like being petted, but allow me to come to you first. Please be gentle
Listen to Mr Higgon-Williams' instructions regarding my behaviour (he knows me really well!)
